7 Homework Tips for the New School Year

Here's a refresher course in homework basics to share with the young students in your family:

1. Use a quiet room with an uncluttered desk and a supportive desk chair.
2. Sit up straight in the chair to get your blood flowing evenly and help prevent drowsiness.
3. Start by writing a to-do list of your homework, ordering your tasks from hardest to easiest.
4. Do the hardest tasks first.
5. Stay off Facebook, Twitter, or anything else that will distract you.
6. Speak aloud as you do your homework. This works to maintain focus and reinforce concepts. It can be especially helpful when doing math problems.
7. When you can't seem to finish an assignment no matter what you try, stop and switch to another task for a while. This can help clear your head. After you're feeling more positive, take a fresh look at that challenging assignment.

Good luck to all students, parents, and teachers during this upcoming school year!

Meet Our New Employees

Cunningham Telephone & Cable recently hired two new employees: Andrea Eberle, a Customer Service Representative out of our Glen Elder office, and Chase Streeter, a Cable Technician out of our Concordia location.

Andrea Eberle started in August. Her job duties include assisting customers either in person or on the phone. She's excited to learn all of the new things that come with a new job. Andrea grew up in Glen Elder and is married to Aaron Eberle. They have two boys, Conner and Cabe. When she's not working or chasing her little ones, she enjoys reading.

Chase Streeter joined our team in mid-July. He currently lives in Jamestown but grew up in Concordia. His job duties include trouble calls and installation of internet, cable, and digital phones. Chase likes that he gets to meet new people and every day is something different. In his free time, he enjoys golfing or fishing, although he's now pretty busy with a fresh litter of puppies at his house.

We're excited to welcome Andrea and Chase to the team!

Crooks Use Caller ID Spoofing to Wear “Mask” of a Local Phone Number

One of the best ways to avoid phone scams has traditionally been to not answer calls from numbers that you do not recognize on your Caller ID. But crooks have a sneaky way around this. With Caller ID spoofing, they are able to make it appear as if their calls are coming from a local phone number. They literally hide behind the “mask” of a legitimate phone number in order to increase the likelihood that you’ll pick up the phone.

How does it work? Caller ID spoofing providers allow individuals and organizations to dictate what phone number they want to appear when they place calls. They pay for a certain number of call minutes, then use an online interface to enter their phone number, the number to be called, and the number they want to appear in the recipient’s Caller ID. The Caller ID spoofing service then makes the call on the spoofer’s behalf.

The goal of this scam is to try and get you to reveal personal information such as account numbers, passwords, and Social Security numbers. To avoid becoming a victim of Caller ID spoofing, take the following precautions:

- Never give out personal information over the phone, such as account numbers, unless you initiate the call.
- If you receive a call requesting information, ask for the name of the organization that is calling. Then, call that organization, using the phone number on your bill or statement—NOT the number on your Caller ID. If the call is legitimate, you will be transferred to the appropriate department. If it’s not legitimate, you can inform the organization of the spoofing incident.

Our Favorite Recipe

Pepperoni Rolls

Ingredients

- 1 can of crescent roll dough
- ½ cup of sliced pepperoni
- 4 mozzarella sticks, cut in half
- 2 Tbsp. melted butter
- Italian seasoning and garlic powder for sprinkling on top
- Marinara sauce for dipping

Instructions

Preheat oven to 375 degrees. Unroll crescent roll dough onto a baking sheet. Separate into triangles. Place pepperoni on the widest part of each triangle and place ½ stick of mozzarella cheese on top. Roll up the dough starting with the widest part and tuck in corners so the cheese doesn't ooze out. Brush the tops with melted butter and sprinkle Italian seasoning and garlic powder on top. Bake for 10-14 minutes or until golden brown. Serve with marinara sauce for dipping.
